Annual Fund Drive

Spirit †

The Annual Fund Drive for Holy Spirit Catholic School was established to provide financial resources to fund extra-ordinary essential needs of the school. **This year, our need is critical** as we must immediately replace an aged boiler (circa 1955) in the east wing of the school building. Looking ahead, the boiler in the west wing will also need to be replaced within the next 12 to 24 months. We had hoped to fund these projects over time, but now the need is imminent. **You can make a difference** with your generous contribution.

Our Mission Statement

While nurturing active Christ-centered citizens, Holy Spirit Catholic School's mission is to maximize student learning through the development of responsibility, reasoning and resilience.

The Holy Spirit Catholic School experience begins at the preschool level (ages 3, 4 and 5). Fundamental foundations for learning are both established and reinforced through approaches children experience as play. More than 75% of the 2012 graduating Pre-K class began their official Catholic school education by starting kindergarten at Holy Spirit.
